

Youth Unit

Opening up a brighter future

ENGLISH and TRADE SKILLS FOR YOUNG PEOPLE

Introduction to Trade Skills ESL (VCAL YAMEC)

Are you:

- between 15 and 26 years old?
- want to learn about trades in the building and engineering industries?

Do you:

- want to get into an apprenticeship?

You will learn:

- about different trades
- about OH&S in the workplace
- how to get an apprenticeship
- about job opportunities
- 'hands on' workshop skills
- English and Maths for trades
- about pre-apprenticeships

During this course you will have the opportunity to get your General Construction Induction Card (white card).

This is a full-time Centrelink approved course.

The Introduction to Trade Skills ESL (VCAL YAMEC)

is a six month course that prepares students for further training or employment in the Building and Construction and Engineering Industries.

This course is part of the Young Adult Migrant Education Course (YAMEC).

Where: NMIT Heidelberg Campus
Building F
Bell Street, Heidelberg

When: Starts 13 February 2012
