

NMIT International Students
Requirements for achieving “Satisfactory Course Progress”
for all courses offered to international students

Under Standard 10 of the National Code of Practice, international students are required to achieve “satisfactory course progress” in each semester of their course.

In general terms, “satisfactory course progress” is defined as the level required that enables a student to still complete the course within the normal duration.

This table states the requirements for achieving satisfactory progress for all courses offered to international students at NMIT.
